Dear Associate Director:

The enclosed submittal satisfies the Title V reporting requirements for Permit #R30-07300005-2008, 2013(MM01) that was issued for Pleasants / Willow Island power station on 10/17/2013. The semi-annual monitoring report is required by Condition 3.5.6 of the Title V permit and covers the period from January 1, 2017 through June 30, 2017 and July 1, 2017 through December 31 2017. The annual compliance certification and attachment (which contains the new permit conditions for #R30-07300005-2013) are required by Condition 3.5.5 of the Title V permit and covers the period from January 1, 2017 through December 31, 2017. Both semi-annual monitoring reports for 2017 are enclosed as attachments to the annual compliance certification.

Also enclosed are the Compliance Assurance Monitoring (CAM) Plan particulate matter reports.

The Willow Island Station remains in cold storage.

If you have any questions concerning this submittal, please contact Tonia Downs at (724) 838-6057.

Sincerely,
